

Rewire Women's Retreat

Become present in the moment

hosted by Jeana Anderson

at the beautiful Shepherd of the Ozarks Retreat Center in N Central Arkansas

February 13-16, 2026

(same as the "IN HIM" retreat at the same location...If you have a spouse coming to the men's retreat, treat yourself and come along)

Friday evening will begin at 4 pm with check-in and a meet and greet fellowship along with food. We will have some light activities planned.

Sabbath and Sunday will be filled with inspiring messages, interactive discussions, worship music, prayer, food and fellowship, hiking, archery, hatchet throwing, personal time, and brain health activities. Monday, we will have a closing speaker and music before departing.

We will be providing all the meals in the cabin. We will have 3 breakfasts, 2 lunches (plus a make and take lunch on Monday) and 3 suppers (Friday is a light finger meal)

Teenage daughters are welcome to join in the experience.

If you have a gift for making homemade items to share or would like to contribute special favors to the "share" table, please contact me with the details of your contribution. This is always a nice tradition of most women's retreats I have attended.
